

SEEKING PREVENT COALITION MEMBERS!

WAYS TO JOIN OUR CAUSE

1. JOIN THE **YOUTH EMPOWERMENT PROJECT**.

We're building community and empowering youth to lead healthy lives. We're providing skill building workshops and doing prevention projects each month. We meet the 3rd Tuesday of every month from 3:30-5 pm at ESD 112 Conference Center.

2. ATTEND OUR **QUARTERLY EVENTS**.

We host four events every year that mobilize and educate the community. Each event is unique and offers tools for support. Previous events include a mental health film screening, a vaping panel, a resiliency resource fair and more.

3. PARTICIPATE IN **TRAINING OPPORTUNITIES**.

We're committed to building capacity throughout the region by providing education and skill building to key community partners who promote prevention. Previous trainings include data analysis, facilitation skills, toxic stress, the teen brain and more.

4. JOIN THE PREVENT **STEERING COMMITTEE**.

The Steering Committee guides our prevention work in Clark County. Members plan and promote coalition events, conduct outreach, conduct project evaluation and represent Prevent in the community. The committee meets quarterly from 3:30-5 pm at ESD 112.

5. PROMOTE THE **SECURE YOUR CANNABIS CAMPAIGN**

Secure Your Cannabis promotes safe storage of cannabis products and encourages health conversations about cannabis with youth. We have nonjudgmental conversations with cannabis retail staff and recruit stores to promote the campaign with customers.

LOCAL PROBLEMS REQUIRE LOCAL SOLUTIONS.

We're connecting and supporting communities to build resilience and prevent youth substance abuse. Volunteers include: parents, youth, schools, media, business, government, faith communities, law enforcement, healthcare, and prevention groups.
